

Exhibitor Directory - 2016 Evanston Green Living Festival at Streets Alive!

Exhibitor	Description	Website
A-Plus Pest Control, Inc./Plus Natural Solutions Worldwide, Inc.	Finally there's an all-natural, green alternative to the dangerous chemicals used by other pest control companies. We're A-Plus Pest Control, Inc., a full-service, environmentally-safe pest control company, serving Chicagoland since 1979. We have replaced chemicals with cedar oil, A Plus Natural Enzymes and other natural products. Our service eliminates both the annoying pests and the worry about using toxic chemicals around your home, apartment building, condo, restaurant (goodbye fruit flies), warehouse, hotel, or other business. Our products are completely safe to use around all family members, including pets.	http://www.apluspest.com/
Babycakes	Babycakes is a Chicago food truck and catering company, selling one of a kind gourmet pancakes and innovative breakfast dishes. Babycakes serves Breakfast Fusion™; innovative "breakfast" dishes with global influences. Pancakes remind us of childhood. Breakfast evokes home. We elevate these classic dishes and serve them at any hour of the day or night. Breakfast 24/7!	www.babycakestruck.com
Chisiko Artistic Endeavors	Chisiko Artistic Endeavors focuses on creating items out of unusual items; concentrating on recycled, repurposed & reclaimed materials. By reusing materials, Chisiko Artistic Endeavors joins the collective effort of reducing our ecological footprint on the planet. Chisiko Artistic Endeavors creates gift items such as jewelry, accessories, and home décor. Each item is handcrafted from recycled materials to create a unique show piece.	www.facebook.com/Chisiko-Artistic-Endeavors-348210085259207/
Citizens' Climate Lobby	Citizens' Climate Lobby is a non-profit, grassroots advocacy organization focused on national policies to address climate change. We train and support volunteers to reclaim their democracy and engage elected officials and the media to generate the political will for solutions that will stabilize the Earth's climate.	www.citizensclimatelobby.org

Citizens' Greener Evanston	CGE works to make Evanston a more sustainable community — environmentally, socially, and economically — and to limit climate change by helping the community. CGE has been a leader in numerous key environmental initiatives affecting the Evanston community including the Evanston Climate Action Plan (ECAP), the Community Choice Aggregation Referendum, and the Evanston Livability Plan.	www.greenerEvanston.org
Citizens Utility Board	A nonprofit consumer watchdog group that fights for the rights of utility customers across the state of Illinois. Since its inception in 1984, CUB has been working for lower rates and better service from the state's investor-owned electric, gas and telephone companies. Over the last 32 years, CUB has saved consumers more than \$20 billion by blocking rate hikes and winning consumer refunds.	www.citizensutilityboard.org
City of Evanston - Environmental Bureau, Public Works Agency	The Environmental Bureau of the Public Works Agency of the City of Evanston will be educating festival attendees on recycling, solid waste, trees and more. Stop by the Bureau's booth to pick up information and view displays on these topics.	www.cityofevanston.org/public-works/
Cocina Azteca	Cocina Azteca prepares handmade, traditional Mexican foods for catering and for sale at local farmers markets. Specialties offered include tacos, tamales, mango and more....	www.facebook.com/cocinaaztecaevanston/
Collective Resource	Collective Resource, Inc. is a woman-owned food scrap pickup service based in Evanston. We collect all food waste and compostable products from homes, businesses, and institutions and take them to a commercial composting site. The food scraps then become a nutrient-rich soil amendment instead of sitting in a landfill. Commercial composting is different from backyard composting, because anything that was once alive (including meat and dairy products) can be composted. In addition to hauling compost, we educate the public about the importance of reducing landfill use.	www.collectiveresource.us

ComEd	At ComEd, our commitment to improving the environment involves continually assessing everything we do and looking for ways to be more efficient and more effective. Adding momentum to our mission, many of our efforts to be more environmentally conscious have been recognized by other organizations.	www.comed.com
Complete Chiropractic and Rehab	Unlike conventional medicine, which focuses on attempting to treat disease once it occurs, Complete Chiropractic and Rehab emphasizes improving your health in an effort to reduce the risk of pain and illness in the first place. Most people would rather be healthy and avoid illness, if they could. This is one of the main reasons for the big surge in the popularity of our wellness center.	www.thebestchirocare.com
The Eating Well	The Eating Well is an employee-owned, specialty food company that prioritizes a good food that is locally grown philosophy. We strive to provide healthy, nutritious food that is packed full of flavor. Our menu includes prepared meals, vegetable burgers, snacks, and even dessert. With a wide variety of vegan, gluten free, dairy free, and paleo items, we have something for everyone no matter what their dietary restrictions are.	www.organiceatingwell.com
Edible Evanston	Edible Evanston is an organization spawned by the Evanston 150 Initiative. The mission of Edible Evanston is “to create resources and empower residents to grow, cook and share locally grown produce throughout our community”. To achieve our mission we encourage urban agriculture, greenhouses, and composting sites; and through these activities develop educational opportunities for individuals to expand their knowledge of nutrition, growing food, and composting.	www.edibleevanston.org
Endless Greens	Endless Greens is an Evanston urban farm that grows organic produce all year long and uses many sustainability practices. Some of our practices include: rainwater collection, lawn removed for produce, vermi-composting, passive solar greenhouse, seed collecting, compost tea brewing, companion planting, and more.	www.endlessgreens.com

<p>Evanston Environmental Association</p>	<p>The Evanston Environmental Association (EEA) is a non-profit organization dedicated to supporting the programs of the Evanston Ecology Center and promoting environmental awareness to the surrounding community. To promote and raise funds for the Ecology Center, the EEA co-presents the Evanston Green Living Festival, the Evanston Green Ball, the Evanston Garden Walk, and the Wild & Scenic Film Festival. The EEA is also the home organization for SAGE, an impactful local school gardening program.</p>	<p>www.evanstonenvironment.org</p>
<p>Evanston Rebuilding Warehouse</p>	<p>The Evanston ReBuilding Warehouse is a non-profit organization that promotes reduction of waste in landfills through sustainable deconstruction and renovation building practices. Reclaimed building materials are sold at our warehouse at low cost to the community and support our education, job-training and jobdevelopment programs which foster individual community and economic growth in Evanston and beyond.</p>	<p>www.evanstonrebuildingwarehouse.org</p>
<p>Evanston Substance Abuse Prevention Coalition</p>	<p>The Evanston Substance Abuse Prevention Council (ESAPC) was formed in 1984, following a roundtable discussion hosted by the Evanston Mental Health Board. Our organization's purpose is to collaborate, coordinate and encourage groups who are working on prevention issues by providing a forum for networking and disseminating information about substance abuse and relevant policy issues.</p>	<p>www.esapcoalition.org</p>
<p>funflector</p>	<p>America's premier brand of Scandinavian style pedestrian reflectors. Fun designs and excellent quality. 7 out of 10 pedestrian accidents occur when it's dark. funflector reflectors increase pedestrian visibility up to 600ft. glimling.com is a family owned business based in Libertyville, IL.</p>	<p>www.glimling.com</p>
<p>Green Edens Horticultural Services</p>	<p>Green Edens is a female-owned horticultural design/landscaping company. We use environmentally friendly sustainable gardening practices and whenever possible the use of native plant material. This encourages the repopulation of local insects, birds and wildlife, which brings the natural balance back to our environment.</p>	<p>www.greenedens.com</p>

<p>Illinois Solar Energy Association - Solar House</p>	<p>The Illinois Solar Energy Association (ISEA) is a non-profit organization that promotes the widespread application of solar and other forms of renewable energy through our mission of education and advocacy. ISEA is the state resource for renewable energy related policy developments, educational classes, events and access to local renewable energy businesses. The Illinois Solar Energy Association (ISEA) Solar House is a self-contained demonstration lab containing both photovoltaic (pv) and solar thermal panels.</p>	<p>www.illinoisolar.org/iseasolarhouse</p>
<p>Lake Dance</p>	<p>LakeDance is an experiential Great Lakes study program. LakeDance facilitates school- based ecology units and out of school performance workshops. Bringing together students, teachers, environmental leaders and artists, LakeDance aims to create a locally relevant immersive experience in art and science.</p>	<p>www.lakedance.org</p>
<p>Little Beans Café</p>	<p>Little Beans is a family café and an imaginative playspace for kids of all ages. Our Little Beans Playspace includes an imaginative village and age appropriate toys great for kids 0-6 years (our Evanston location includes an additional recreation based space for kids 5-12 years as well). Our café boasts a delicious assortment of coffee drinks and snacks where parents can enjoy the ambiance of our comfortable café with their tiny tots.</p>	<p>www.littlebeanscafe.com</p>
<p>MC Squared Energy Services LLC</p>	<p>MC Squared Energy Services (MC2) provides customized electricity pricing and supply for business and residential customers in the ComEd service territory. Our mission is to be the energy supplier of choice in the areas we serve, by providing our customers with innovative and reliable power-purchasing options. We are committed to our customers, the communities we serve and improving the environment.</p>	<p>www.mc2energyservices.com</p>
<p>Melaleuca</p>	<p>Welcome to Melaleuca, the Wellness Company. Since 1985, we've had one mission: to enhance the lives of those we touch by helping people reach their goals. That is still the purpose that drives us. Melaleuca manufactures and distributes nutritional, pharmaceutical, personal care, facial care, home hygiene, and other wellness products of superior quality, and distributes them direct to the consumer through a full-service catalog and internet shopping system.</p>	<p>www.melaleuca.com</p>

Nissan North America	One of the world's greenest brands. Our environmental philosophy: "A Symbiosis of People, Vehicles, and Nature". This philosophy outlines Nissan's commitment and approach towards our dream of building a truly sustainable and mobile society. To learn more, see our Nissan Green Program 2016 and environmental activities.	www.nissanusa.com
NorthShore University HealthSystem	NorthShore University HealthSystem is an integrated healthcare delivery system consistently named among the nation's best. The NorthShore system, including its four hospitals – Evanston, Glenbrook, Highland Park and Skokie –is consistently ranked as a Top 15 Teaching Hospital System in the U.S. NorthShore also includes a 900 physician multispecialty group practice, NorthShore Medical Group, located in 100-plus offices across Chicago and many of the Northern Suburbs. NorthShore is a Magnet recognized organization, the first in Illinois designated as an entire system to receive this prestigious honor that demonstrates excellence in nursing and high standards in patient care. The system also supports the NorthShore Research Institute; the NorthShore Philanthropic Foundation; and NorthShore Home & Hospice Services. In addition to launching Be Well Lake County, a community health initiative committed to providing greater access to comprehensive care, NorthShore contributes more than \$209 million in charitable care and services to the community it serves.	www.northshore.org
Northwestern University, Office of Sustainability	The Office of Sustainability, a department within Northwestern University's Facilities Management, was established in November 2011 to minimize the ecological footprint of our university. We work with administrators, campus groups, and the Evanston community to: a) Support sustainable practices in everyday university operations, b) Engage students, faculty, and staff in making eco-friendly choices, and c) Help make Northwestern University a leader in campus sustainability.	www.northwestern.edu/sustainability/
Organic Roots Eco Salon	Organic Roots Eco Salon is an organic hair salon that offers a comprehensive and holistic approach to hair health. We use an integrated and scientifically engineered organic system designed to produce an outcome impossible to achieve with chemicals. Utilizing certified organic products, we achieve better-than-professional results without the damaging toxic chemicals that contaminate other hair salons.	www.organicrootsecosalon.com

<p>SAGE - Schools are Gardening in Evanston (An Evanston Environmental Association Program)</p>	<p>SAGE (Schools Are Gardening in Evanston) has now been in existence for over a dozen years as a community movement supporting edible gardens in our elementary schools. The program has grown from the creation of an organic edible garden consisting of six raised beds at Dawes School in 2004 to one that has taken root in all but a few Evanston schools.</p>	<p>www.evanstonenvironment.org/sage</p>
<p>Shared-Use Mobility Center</p>	<p>The Shared-Use Mobility Center (SUMC) is a public-interest organization working to foster collaboration in shared mobility (including bike-sharing, car-sharing, ride-sharing and more) and help connect the growing industry with transit agencies, cities and communities across the nation. Through piloting programs, conducting new research and providing advice and expertise to cities and regions, SUMC hopes to extend the benefits of shared mobility for all.</p>	<p>www.sharedusemobilitycenter.org</p>
<p>Step Up For Youth, Inc.</p>	<p>Step Up For Youth is presenting 10k and 5k races, and a family walk on September 11, 2016. Event proceeds benefit Dajae Coleman Foundation,(DC3F) a non-profit, community-based organization founded in 2013 to honor the legacy of Dajae A. Coleman, an exceptional young man who was shot and killed when he was only 14. DC3F offers programs that motivate youth and instill positive values that help to guide them.</p>	<p>www.stepupforyouth.com</p>
<p>Window Works / Tiger Bath</p>	<p>Family-owned and operated since 1996, Window Works has gone through an evolution to become the respected home repair company it is today. Today, our commitment to quality and to our customers is stronger than ever, with an experienced staff and company-trained craftsmen who support our company focus.</p>	<p>www.mywindowworks.com</p>
